## **President's Report**

Evan informed the meeting that the P&C would meet on every third Wednesday (during term time) from 7.45-9pm. He described the role of the P&C as a channel of communication between parents, teachers and the wider community. He informed the meeting that in 2006, \$115,000 was authorized to be spent via the P&C, whilst receipts (mainly from parent contributions) totaled \$100,000. A budget for expected 2007 expenditure is currently being prepared by the School Principal in conjunction with the P&C executive.

He introduced the 2007 executive, and their responsibilities:

Rick Smith, Ian Davies, Evan Predavec – Contributions and grants  
Janet and Geraldine – finance  
Maria – communications

Evan invited the community to express an interest in any of the areas requiring assistance during the year – Grounds, MasterPlan, Social and Canteen.

He also directed the meeting to the P&C website: [www.cammeraypandc.org.au](http://www.cammeraypandc.org.au)

## **Treasurer's Report**

Janet reported that there was currently \$79,000 (approx) in the General Fund and \$29,000 in the Building Fund. She reported that since the last meeting of last year, \$180 was spent on marquees and \$450 spent on gifts for volunteers. Janet proposed that this expenditure be accepted, Evan seconded the motion and the meeting voted unanimously in favour.

The meeting discussed the requirement to improve communication about what money is required by the P&C and how it is spent. Specifically, it was recommended a letter be sent to parents with the contribution request, and that the class parent network be utilized to ensure that a contribution rate above the 2006 rate of 50% of families be achieved.

**MasterPlan**

Claire Carter Johns called for volunteers to assist in moving the MasterPlan along. Plans are to be put on display in the hall.
